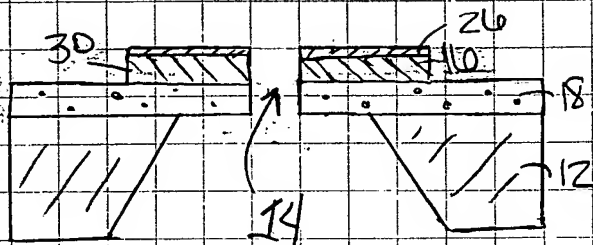

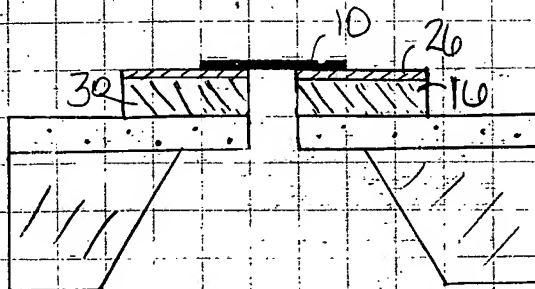

FIG. 7D

A cross-sectional view of a multi-layered structure. It features a base layer labeled 12, which is supported by two diagonal structural elements. Above the base is a layer labeled 18, which contains a horizontal line. On top of layer 18 is a layer labeled 26, which has a wavy, irregular top surface. The top surface of layer 26 is covered by a material labeled 28, which is depicted with a stippled or dotted texture.
